## To whom it may concern

### **Support for the project of creating a Junior Euro-Arab Consultancy Network**

I have learned with great interest that Mona Shair and Olaf Deussen are planning to create a junior Euro-Arab Consultancy Network.

Being a network of networks the Anna Lindh Foundation believes in the importance of creating networks and ties between the two sides of the Mediterranean. Thus, I very much support the idea of Mona Shair and Olaf Deussen whom I have known for over two years. Mr. Deussen has substantially supported the work of the Anna Lindh Foundation in these years.

In order to ensure a better understanding of the people on the two shores of the Mediterranean, we need to invest in the youth of today. I would like to see the success of the initiative and I am looking forward to its impact in the dialogue between cultures.

It is my pleasure to hereby express my full support for this initiative, I am confident that the network will contribute to an enhanced understanding between people in Europe and the Mediterranean region, in particular young people and I would be delighted if you were able to support it as well.

Yours sincerely,

Dr. Traugott Schoeffthaler,  
Executive Director
